Attn: Brenda Gray / Supervisory Legal Instruments Examiner
Art Unit 1600

RE: US Patent Application directed to:
Antibacterial Composition
Serial No./Appn.No.: 09/928630
NMM File Ref.: 102790-54

Dear Miss/Mrs. Gray;

Pursuant to our telephone discussion within the last hour, I enclose for your inspection and file a copy of the Email response which we received from the USPTO acknowledging the change of address associated with my customer number, 27389 in a large number of applications including the instant application. The third sheet of the enclosure indicates that the address associated with Serial No. 09928630 was "accepted" by the USPTO. I hope this is enough to update your records in this file to my new address as indicated above.

Should you need anything further, please do not fail in contacting me.

Respectfully,

Andrew N. Parfomak, Esq.
Reg. No. 32431

Enclosures - 3 sheets, as indicated

CONFIRMATION

RECEIVED
FEB - 7 2005
TECH CENTER 1600/2900

Dear Sir / Madam,

This letter is in regard to a Customer Number Upload (CN Upload) spreadsheet that was received by the USPTO with the following information:

Date received: 09/09/04

Customer number: 27389

Signed by: Andrew Parfomak

Registration number: 32431

We are sending this notice to notify you of the status of your CN Upload spreadsheet. Please note, two steps must be met to successfully complete the CN Upload process.

Step 1 - Confirmation of Signatory Authority for Spreadsheet Cover Letter

The individual(s) who signed the cover letter must be the applicant(s) or Attorney(s)/Agent(s) of record for the application.

The attached MS Excel spreadsheet lists all of the applications that were submitted. Those serial numbers that contain a 'NO' in the 'POA Okay' column were **not** processed. The Attorney(s)/Agent(s) who signed the cover letter are not listed in our database as having Power of Attorney for the listed applications or there was an error in the application/patent number.

Remedy for those Applications for which Step 1 was not Successfully Completed:

To correct the application submissions that did not successfully meet the criteria in Step 1, and so were not processed, associate those applications by submitting a new spreadsheet and cover letter with the appropriate attorney registration numbers and signatures. Instructions and a spreadsheet template are located at <http://www.uspto.gov/ebs/downloads.html> under Customer Number Update Template.

In the case of applications where you do not have Power of Attorney, please fill out and complete the proper Power of Attorney form SB81/82 and fax it to the USPTO centralized fax number of 703-872-9306 prior to submitting your spreadsheet. Please review OG Notice May 26th 2004, Revision of Power of Attorney and Assignment Practice for further information. <http://www.uspto.gov/web/offices/com/sol/notices/69fr29865.pdf>

Also verify that the serial numbers entered are the correct numbers.

Step 2 - Invalid serial number(s) - pending application and/or patent numbers

An invalid serial number was entered in the spreadsheet. This is indicated by a "YES" in the Mismatch column.

Remedy for those Applications for which Step 2 was not Successfully Completed:

Ensure that the serial numbers entered meet the spreadsheet requirements (see Customer Number Upload Template). http://www.uspto.gov/ebs/documents/cust_req_instructions.xls

Questions?

If you have any questions about this email or any of our Patent Business e-government tools or systems, please do not hesitate to contact the Patent Electronic Business Center at 866-217-9197.
